Horizontal Stringers: 2" X 4" pressurized Con Common

Nails: Galvanized

Post Holes: 2' to 2.5' deep (in concrete)

Fence Boards: 1" X 8" X 6" Redwood planks, dog-eared at top. Boards are to be nailed to the Camino Tassajara Road side of fence.

Please contact George Cooper at (925) 831-9045 for guidance on trimming shrubbery on the front side of the Camino Tassajara Road fencing.

Note: Each replacement fence is required to tie in to the existing Diablo West stone columns. All replacement fences are to extend to the property line limits on each property. This may require an additional 6" X 6" vertical post if the stone columns do not line up with each property line boundary.
